# 10th Congress of the Federation of European IWH clubs (EIWC)

June 25 - 27, 2010 in Denmark

## Enrolment of dogs to the show on Sunday, June 27, 2010, Vingsted Centre

### General information

The show will be held under FCI and DKK show regulations.

Exhibitors undertake to observe these regulations.

All dogs must be registered in a kennel organisations approved by FCI.

All dogs are shown at the exhibitor's own account and risk.

The organizer cannot be held liable for damages caused by dogs or exhibitors.

The dogs must be vaccinated against distemper and parvovirus. Foreign dogs must also be vaccinated against rabies according to Danish legislation. Additional information can be retrieved at the Danish Veterinary and Food Administration's website: [www.foedevarestyrelsen.dk](http://www.foedevarestyrelsen.dk).

Documentation for vaccination must be brought to the show. Puppies less than 3 months cannot be brought to the show. The dogs that are shown must be in good mental and physical health condition and not show any signs of illness. Moreover, we refer to the DKK show regulations. If a dog has caught a defect, which can be certified by a veterinary certificate, the veterinary certificate must be brought to the show and handed over to the ring staff before judging begins. The exhibitor pays for any treatment undertaken by the show veterinarian. The exhibitor must however, have approved the treatment in advance.

At the EIWC show it will unfortunately not be possible to have the entry fee paid back if there has been a change of judge or on presentation of a veterinary certificate.

For Nordic participants: Ormekur / Afmaskning / Worming is on offer in Vingsted Centre during the EIWC 2010 event!

**By legislation in Denmark: All dogs have to be under control and in leash when in public area!**

**It is highly appreciated and recommended that one pick up anything dropped by ones dog(s).  
There will be puh-bags available all over Vingsted Centre during the EIWC 2010 event!**
